International Goodwill Spread by the Ancient and Honorable Artillery Company of Massachusetts (AHAC)
In the spirit of international goodwill and to recognize the sacrifices for liberty and freedom, the Ancient and Honorable Artillery Company of Massachusetts (AHAC), headquartered on the 4th floor of historic Faneuil Hall, traveled to Croatia.

Led by Captain Commanding Nicholas Schiarizzi, Sr. of Westwood, Massachusetts, the company laid wreaths at several significant memorials and also hosted many dignitaries and government officials during this multi-day trip. While in Zagreb, the company met with the Little League team it sponsors. After a memorial service at Chapel of Christ the King at the entrance to the Mirogoj Cemetery in Zagreb, more than 100 members of the company laid a wreath at the Monument to Victims of the Homeland War, 1991-1995.

For more than one hundred years, the AHAC has represented the commonwealth and nation on numerous overseas trips.
A wreath-laying ceremony was held at Milna Allied Military Cemetery on the Island of Vis where 49 soldiers of the United Kingdom and the Commonwealth, and 29 U.S. soldiers, died during the Second World War.
